

# PHOTOGRAPHIC COMPETITION FF7.0

## 1st Edition

**Deadline inscription: 15th July, 2021**

The Parma OperArt APS Association promotes an international photo competition which aims to create a film short with the best selected works. The short film will be presented at the Parma film festival, which takes place in September of each year, and a soundtrack specially composed for the short film will be produced.

With this initiative we want to create a link between photography and cinema, the seventh art, and just for this the competition takes its title: "FF7.0".

It is a great opportunity for professional and non-professional photographers to see their works as part of a film production, rather than hanging in a usual exhibition of photographs.

### **Thematic**

The theme of this first edition is the **environment**: pollution, environmental degradation. The world is suffocating in a slow agony, every day tons of plastic and waste of all kinds end up in the sea; the air, water and food are often polluted. Most people are slipping this problem off and our planet is dying.

We want to try to document and sensitize the public to this issue through your photos and the video we will make with them.

### **Participants**

Both professional and novice photographers can participate in the competition, coming from any country in the world as long as we have reached the age of majority. There is no limit to the number of images that can be sent by each participant, it is also possible to send a chronological series of images.

### **Selection**

The works presented, and therefore registered and sent to the competition, will be evaluated by a jury of experts. The judges' evaluations will be unquestionable and the selected works will be communicated by 10th August, 2021.

### **Prize**

The participating finalists will have their works included in the short film that will be screened at the Parma film festival during the week of screenings: from 20th to 25th September, 2021.

In this circumstance, an "Absolute Prize" will be awarded to the photograph judged to be the best from a technical, emotional and content point of view. The "Absolute Prize" will be worth € 300.00 in cash plus parchment. The jury has the right to assign, if necessary, an additional special prize.
